\*Note: BSc/FdSc Programmes which may follow a semesterised format for some, or all modules include:

- Equine Science
- Agriculture
- Agriculture with Dairy Herd Management
- Landscape Architecture
- Environmental Science for Conservation
- Environmental Systems Management
- Applied Plant Science and Production Technology

Other BSc and FdSc will follow a year-long module format. Part-time or apprenticeship programmes may have a different format from this calendar and will be communicated to students via the relevant programme teams.
